## GONE TO FIND

### U. S. CONSUL

WASHINGTON, D. C., July 20.—The authorities of the State Department are now expressing the fear that Edwin Trimmer, the American Consul at Cape Gracias a Dios, Nicaragua, has been assassinated by the sympathizers of Dr. Madriz. No word has been received for some time directly from Consul Trimmer, and there has been no attention paid by him to official messages sent to him. His silence and the known hostility that exists among the Madriz supporters towards Americans form the grounds for the suspicion of foul play of the State Department.

Another Cruiser Ordered South. As a protest against the intense hostility openly expressed against the United States, the Navy Department today ordered the commander of the protected cruiser Tacoma to proceed to Cape Gracias a Dios. Commander Davis is ordered to find Consul Trimmer, if he is still alive, and to remain off the northern Nicaraguan port pending developments in the situation.

Forcing Loans. Mail reports received at the department tell of the efforts of Madriz to raise money. Forced loans, it is said, are being exacted, particularly from those suspected of hostility to the Madriz government. The most frequent procedure is reported to be to make a demand for a loan, one-half to be paid within twenty-four hours and the rest in three days, with an increase of 25 per cent. if payment is not forthcoming. Police or soldiers surround the house of the victim and shut off all means of securing food if the money is not paid. In one instance it is said the loan demanded amounted to \$10,000.

## WANT ROOSEVELT POLICIES.

KANSAS CITY, July 20.—That the West is not satisfied with the present organization of the Republican party was manifested again here tonight, when a convention of a number of the leading Republicans of this State and of neighboring States decided to organize a national league independent of the regular national organization.

The object of the league, as outlined at the meeting tonight, is to force the regular organization to return to the Roosevelt policies and so incorporate them into the national platform as to make their enforcement the main part of the Republican policy.

The movement, while not so termed, was plainly in support of the insurgents, it being taken for granted that Roosevelt's sympathies are wholly with that wing of the party.

## RAILWAY PRESIDENT DEAD.

CHICAGO, July 20.—Ira G. Rawn, president of the Chicago, Indianapolis and Louisville Railroad, the Monon line, is dead, whether killed by another or through suicide not yet having been determined. Rawn met his death by a bullet through the brain, the relatives giving out a statement to the effect that the shot was fired by a burglar whom the railroad president surprised in the act of robbing the house.

The police, however, are not inclined to credit the story, believing rather that Rawn committed suicide. They are working on this theory.

## CHICAGO GAINS IN PEOPLE.

CHICAGO, July 20.—A school census taken of the city in anticipation of the report to be made shortly by the census bureau, shows the population of this city to be 2,100,000. This indicates a gain of over 100,000 since the last regular census.

## BAND CONCERT.

Intermezzo—The Queen of the Ball. Volledti. Bayad—La Paloma. Yradier. Reminiscences of Verdi. Godfrey Vocal—Hawaiian Songs. Selection—My Old Kentucky Home. Dalby. Waltz—The Sylens. Waldeufel. Finale—A Good Kiss. Coote. The Star Spangled Banner.

## BORN.

RICE—In Paia, Maui, July 19, to the wife of Harold W. Rice, a son.

Stage Director—Now, then, Miss O'Hare, more volume. Open your mouth wide and throw yourself right into it!—Puck.

## TAFT TO SIT ON NICARAGUA

WASHINGTON, July 11.—Secretary Knox will go to Beverly at an early date to take up with President Taft the matter of ending the Nicaraguan affair. It is recognized by the President that the crisis in Nicaragua must be ended and it was learned today that he will call Secretary Knox to the summer capital before long to decide upon definite steps looking to a settlement by drastic measures, if necessary, of the intolerable situation existing in the South American republic.

Several consultations were held at the State Department today on the possible action of the United States in connection with the removal of William Pittman, the American engineer, from Bluefields Bluff to Managua. Pittman had been held for several weeks by the Madriz forces as a prisoner of war.

Acting Secretary of State Wilson has called in his international law advisors to assist him.

It is believed that the Department will be content with instructing United States Consul Olivares at Managua to insist on fair treatment for Pittman, and to which the procedure at Managua with a view to guarding against injustice.

Our idea of a cataclysm is when a man expects to go to the ball game and his wife makes him go to a lava fete.—Columbus Journal.
